## SFY 2020 Area Plan Budget Report

All Area Agencies on Aging (AAAs) must submit an Area Plan Budget Report each year for approval prior to receiving funding from the Department under an Area Plan on Aging. The Area Plan Budget Report must be submitted using the Iowa Aging Information System (IAFRS) component of the Iowa Aging Information System (IAIS) located at <a href="https://ida-infosys.iowa.gov">https://ida-infosys.iowa.gov</a>. The Area Plan Budget Report is accessed via FSRs on the IAFRS main toolbar.

In SFY 2020, all AAAs must also submit an updated Area Plan Budget Report following the second quarter of the fiscal year. The Area Plan Budget Report submitted with the initial area plan is based on projected allotment funding well in advance of actuals and only includes carryover at the AAA's discretion. An updated budget that incorporates the most current funding levels available and actual carryover will provide the Department with more accurate information regarding service budgeting. (For due dates, refer to the Area Plan Budget Report Due Dates heading below and the *Area Agencies on Aging Reporting Manual for State Fiscal Year 2020.*)

## **Preparing the Area Plan Budget Report**

Use the following information when preparing your budget report. (The SFY 2020 Planning and Service Area (PSA) Allotments appear at the end of this document.)

#### **Area Plan Funding Resources**

The following table summarizes the area plan funding resources.

| <b>Funding Entity</b>  | Prior Receipts                       | <b>Current Receipts</b>   |
|------------------------|--------------------------------------|---------------------------|
| Department Pass-       | Projected unexpended authorization   | New funding included in   |
| through funding to     | balances available from the previous | an allotment.             |
| AAAs (Resources – IA   | fiscal year which are budgeted in    |                           |
| Dept. on Aging)        | addition to Current Receipts.        |                           |
| Direct funding to AAAs | Projected unexpended funding         | New funding that has not  |
| (Resources – Non-IA    | balances received during a previous  | previously been received. |
| Dept. on Aging)        | fiscal year.                         |                           |

Enter funding resources within each of the two (2) program clusters (General Aging and Caregiver) according to the service being funded. The allowable utilization of a funding source is a function of program cluster funding source and service. Entry is allowed in all non-shaded "cells" within the IAFRS Area Plan Budget Report.

Keep in mind that an interdependent relationship exists between service units and the utilization of funding resources. That is, if you enter units for a particular service on the Form 3A-1, you must enter a funding amount for that service in the budget report. Likewise, if you enter a funding amount for a service in the budget report, you must enter units for that service on the Form 3A-1.

#### **Iowa Aging Financial Reporting System Layout**

The following table describes the IAFRS tabs and information contained in each tab.

| Program Cluster (tab) | Summary View                        | Data Entry View         |

|                       |                                     | by service (entry       |
|                       |                                     | required)               |

**Note:** Balances for Department Pass-through funding (Resources – IA Dept. on Aging) must = zero for each funding source (i.e. prior receipts + current receipts = sum of all following service expenditures). Balances for direct funding to AAAs (Resources – Non-IA Dept. on Aging) must be  $\geq$  zero for each funding source (i.e. prior receipts + current receipts  $\geq$  sum of all following service expenditures).

Revised 11/14/2018

#### **Mandatory Services**

AAAs must include the following services in the General Aging and Caregiver budgets and provide a request for direct service if applicable.

- Case Management (06)
- Congregate Meals (07)
- Evidence-Based Health Activities (B07)
- EAPA Assessment & Intervention (C08)
- EAPA Consultation (C07)
- Health Promotion and Disease Prevention (B02)
- Home Delivered Meals (04)
- Information and Assistance (13)
- Legal Assistance (11)
- Nutrition Counseling (08)
- Nutrition Education (12)
- Options Counseling (E05)
- Assistance Case Management (CG9)
- Assistance Information & Assistance (CG10)
- Counseling (CG3)
- Options Counseling (CG8)

#### **Nutritional Counseling & Education Requirements**

Iowa Administrative Code (IAC) 17-7.12(4)(a)(c) requires area agencies to ensure nutrition funds are used to (1) provide at least one meal a day, (2) provide nutrition educational services, and (3) provide nutrition screening and counseling.

#### **Request for Funds Transfer**

This function is integrated in the IAFRS and will be transmitted as part of the overall Area Plan Budget Report submission. The Transfer Item Form is accessed via the IAFRS Menu dropdown from within the Area Plan Budget Report.

**Note:** Transfers can be requested between Title III allotments for parts IIIB Supportive Services, IIIC(1) Congregate Meals and IIIC(2) Home Delivered Meals with a maximum of 30% between IIIB and IIIC(1)/IIIC(2) and a maximum of 40% between IIIC(1) and IIIC(2)].

Transfers do not automatically trigger an area plan amendment. An amendment is required if the transfer results in an addition or deletion of a service category and/or if the transfer results in a direct service that was previously not directly provided.

#### Match

Match requirements for funding are calculated by each funding component or group and administrative sub component if applicable (i.e. Elderly Services; Title IIIB, IIIC-1, IIIC-2; and III-E). To qualify as match, the allowable match funding must be expended in the same service and program cluster as the funding to be matched. Tracing qualified match amounts can be accomplished through the Validation feature accessed via the IAFRS Menu from within the Area

Plan Budget Report. (Note: Users must be in Data Entry view for the Validation feature to display. Toggle is between Data Entry and Summary views.)

Cash and the fair market value of non-cash third party in-kind contributions from local sources (e.g. local public funds, other local cash, and program income) are allowable as match for state sources. Cash and the fair market value of non-cash third party in-kind contributions from non-federal sources are allowable as match for federal sources.

**State Funds for Services (i.e. elderly services general).** Sums appropriated each state fiscal year for area agency on aging services are for satisfying the non-federal share requirement that one-third of the supportive and nutrition services program match must be in the form of state appropriated funds.

**Elderly Services (i.e. elderly services general).** An area agency may use its state allotment for elderly services to pay not more than eighty-five percent of the cost of these activities. The minimum required match is calculated by dividing the state share [total of both allotments] by eighty-five percent and subtracting the state share from that amount.

**Area Agency Administration.** An area agency may use up to its state Elderly Services administration allotment to pay not more than eighty-five percent of the state Elderly Services share of administering area plans. The minimum required match is calculated by dividing the state Elderly Services share budgeted (elderly services general allotment) by eighty-five percent and subtracting the state Elderly Services share from that amount.

An area agency may use up to its federal Total Title III administration allotment to pay not more than seventy-five percent of the total federal Title III share of administering area plans. The minimum required match is calculated by dividing the federal Title III share budgeted (total of all administration allotments) by seventy-five percent and subtracting the federal Title III share from that amount. Individual Title III administration allotments are displayed as baseline amounts but are only limited in the aggregate to the Total Title IIII administration allotment.

**Supportive and Nutrition Services.** An area agency may use its federal Title III Program allotments for supportive and nutrition services to pay not more than eighty-five percent of the costs of these activities. The minimum required match is calculated by dividing the federal share (total of supportive and nutrition program allotments) by eighty-five percent and subtracting the federal share from that amount.

**Caregiver Services.** An area agency may use its federal Title III Program allotment for caregiver services to pay not more than seventy-five percent of the costs of these activities. The minimum required match is calculated by dividing the federal share by seventy-five percent and subtracting the federal share from that amount.

#### **Priority Services**

A minimum percentage of Title IIIB – Supportive Services funding expended for services (total less administration) must be expended in the following priority services categories. (Refer to IAC 17-5.5.

#### **Access (10%)**

Assisted Transportation (09) Outreach (14)
Case Management (06) Transportation (10)

Information and Assistance (13)

## <u>In-Home (5%)</u>

Adult Day Care/Adult Day Health (05) Homemaker (02) Chore (03) Personal Care (01)

#### Legal (3%)

Legal Assistance (11)

#### **Voluntary Contributions**

Section 315 (b)(4) of the Older Americans Act, as Amended 2006, requires all services receiving Title III funding to provide the opportunity for consumers to make voluntary contributions.

- AAAs must report any and all program income from contributions in the annual IAFRS budget under the appropriate program income title designation.
- This requirement is subject to Iowa Department on Aging monitoring for any program which receives OAA Title III funding.

#### Nutrition Services Incentive Program (NSIP) Cash/Commodity Option

NSIP allotments will be in the form of cash only.

#### **Title IIIE Older Relative Caregiver Services**

A maximum percentage of Total Family Caregiver funding [i.e. Title IIIE Caregiver Support authorization plus required minimum match] may be expended for Older Relative Caregiver services.

• Older Relative Caregiver – 10%

## **Submitting the SFY 2020 Area Plan Budget Report**

#### **Electronic Submission Instructions**

Agencies must submit their SFY 2020 Area Plan Budget Report electronically via the IAFRS at <a href="https://ida-infosys.iowa.gov">https://ida-infosys.iowa.gov</a>. The Area Plan Budget Report is accessed via FSRs on the IAFRS main toolbar. The report will be available for completion and email notification sent no later than January 31, 2019. (Refer to figure 2 below for a sample of the Iowa Aging Financial Reporting Systems screen.) Follow the instructions below after you have accessed the IAFRS component.

- 1. Select **FSRs** from the IAFRS main toolbar.
- Select Open Report for the 2020 Budget Ver 1 (not finalized)
   Important! Do not select New Version as it is intended that all versions created will be finalized for submission.
- 3. Select the **General Aging** or **Caregiver** tab and enter amounts.
- 4. Select **Save** from the IAFRS Menu dropdown list in the Data Entry Area Plan Budget view and follow prompts.
- 5. Select **Form 3A-1** from the IAFRS Menu dropdown list and enter amounts.
- 6. Select **Save** from the IAFRS Menu dropdown list in the Form 3A-1 view and follow prompts.
- 7. Select **Close** from the IAFRS Menu dropdown list in the Form 3A-1 view. Selecting **Validate** for only the Form 3A-1 is an option at this point as well.
- 8. <u>Optional Transfer</u>: Select <u>Transfers</u> from the IAFRS Menu dropdown list in the Data Entry Area Plan Budget view and enter transfer amounts after selecting the dropdowns under <u>From</u> and <u>To</u>. Select <u>Save</u> on the Transfer Item Form and follow prompts/close form to return to the Data Entry Area Plan Budget view.
- 9. Select **Validate** from the IAFRS Menu dropdown list in the Data Entry Area Plan Budget view and follow prompts.
- 10. Select **Finalize** from the IAFRS Menu dropdown list in the Data Entry Area Plan Budget view and follow prompts.

**Tip:** You should save your work every 10 minutes to avoid losing changes.

#### **Mailed Area Plan Budget Request Cover Sheet Instructions**

In addition to the submission via the IAFRS, mail an original Area Plan Budget Request Cover Sheet signed by an authorized signatory of the area agency to Jeff Batz at 510 East 12<sup>th</sup> Street, Suite 2, Des Moines, IA 50319-9025.

**Note:** Each time a new Area Plan Budget Report version, including Form 3A-1, is created/finalized within the IAFRS after its initial approval, an authorized signatory of the agency must mail a signed Area Plan Budget Request Cover Sheet to Jeff Batz.

## **Area Plan Budget Report Due Dates**

The initial SFY 2020 Area Plan Budget Report must be submitted electronically via the IAFRS no later than 4:00 pm on April 1, 2019. The signed Area Plan Budget Request Cover Sheet must be received by Jeff Batz no later than five business days following the due date.

The updated SFY 2020 Area Plan Budget Report must include any newly projected allotment funding, approved carryover funding, related unit/consumer data and be submitted no later than 4:00 pm on February 24, 2020. Communication of any newly projected allotment funding can be anticipated no later than 30 days prior.

## **SFY 2020 Consumers Served & Service Unit Projections**

## Preparing Form 3A-1: Consumers Served & Units Provided

Each agency must provide to the Department on Aging projections for the total number of consumers to be served in the fiscal year, number of consumers served by targeted populations, and total service units. These projections are to be provided annually through a new or updated Area Plan on Aging. The Department will review and approve the consumer and service projections prior to approving funding to the agency.

All agencies must use the Department's Form 3A-1 to provide SFY 2020 service and consumer projections. Note that you must provide consumer or service projections on Form 3A-1 for each service in which you have entered a funding amount in the Area Plan Budget Report.

For reference in completing Form 3A-1, consult chapter 2 of the *Area Agency on Aging Reporting Manual* for a listing of allowable services and service definitions. Agency's should also utilize lowa aging demographic data and past service units provided & consumer served when determining projections for SFY 2020. Population estimates targeted demographic groups are available at https://iowaaging.gov/area-agencies-aging/area-plan-aging-guidance.

#### **Submitting Form 3A-1: Consumers Served & Units Provided**

Agencies must complete the Form 3A-1 with projected total number of consumers to be served in the fiscal year, number of consumers served by targeted populations, and total service units for SFY 2020 as part of the Area Plan Budget Report. Access the Form 3A-1 via the IAFRS Menu dropdown from within the Area Plan Budget Report. (Refer to figure 3 below for a sample of the Form 3A-1.)
